MESSAGE FROM THE PRIME MINISTER

In the fiftieth year of the University of British Columbia and on the centennial of the Province, I am honoured to send best wishes on behalf of the government and people of Canada as well as on my own behalf to the Alma Mater Society's Yearbook.

I was interested to learn that The Totem is endeavouring in this edition to promote the national spirit of Canada and to build stronger ties across our great land.

The strength of any democracy is founded on the knowledge its people have of each other and any effort in this direction will always have my wholehearted support.

Prime Minister

PRESIDENT'S MESSAGE

To all our "Centennial" year graduates I send my greetings and best wishes as they leave us to take up the careers for which I hope we have at least helped to prepare them.

This whole volume will be a reminder to you and to us of the years you have spent with us. I hope they have been happy, exciting and useful ones. The University should open many doors and give many opportunities to all who gather and work within it. It should inculcate principles of discipline, patience and intelligence of which, now as always, we stand in great need.

This is a milestone in the University's life—the fiftieth anniversary of the granting of our Charter. We have grown into the second largest university in Canada and the prospects for the future are of even more startling expansion. Throughout it all, however, I hope we shall retain two things above all, the affection, loyalty and respect of our students and graduates who have always played a unique part in the life of U.B.C., and the same spirit of free intellectual endeavour and service to our fellow human beings which has always characterized the best in universities throughout the world.

Good luck to you all.

Norman MacKenzie

STUDENT COUNCIL

Ben Trevino, President

Ken Brawner, Vice President

Barbara Leith, Secretary

George Morfitt, Treasurer

After starting the term by encouraging peaceful Frosh Orientation, the Student Council channelled its interests towards passing, for the U.B.C. Development Fund, a five dollar fee increase—a referendum enthusiastically endorsed by the student body. Another eventful occasion was the official opening of the Brock Extension, followed later by Open House on February 28 and March 1. Other highlights of the year were: U.B.C.'s hosting of the Evergreen Conference in March, a Trans-Canada C.B.C. Jazz Show with U.B.C. highlighted, an Academic Symposium, and the integration of the Sopron students as well as possible under the existing conditions.

UNDERGRAD SOCIETIES COMMITTEE

The coordinating body for all Undergrad Societies, the U.S.C., consisting of two representatives from each Undergrad Society, was chaired by Neil Merrick. The Committee has a seat on the Student Council and informs the Undergrad Societies of Council's plans.

WOMEN'S UNDERGRAD SOCIETY

Under the dynamic leadership of President Sheila Croker, W.U.S. co-sponsored the W.U.S.-W.A.D. Banquet, organized the Big and Little Sister Banquet, Co-ed Day and the Ivy Leaguer Dance on January 31, and arranged for noon hour films and speakers.

ALMA MATER SOCIETY

The A.M.S. office, operating under Mr. R. E. Pearson, the manager, and the staff of five, supplies office facilities for student organizations. It keeps all club and Student Council records, as well as acting as a clearing house for all financial transactions of these student organizations.

FOOTBALL

The chances of the University of British Columbia's football teams, the Thunderbirds and the Jayvees, were good until many players were injured. Bruce McCallum, fullback-end, was chosen to be on the conference second all-star team. Negotiations are now underway to cut the schedule for next year in half, with the result that the teams will play the remainder of the games against western Canadian universities.

We, the Fraternity Undergraduate Members, stand for good scholarship, for guarding of good health, for wholehearted co-operation with our college's ideals for student life, for the maintenance of fine social standards, and for the serving, to the best of our ability, of our college community. Good college citizenship as a preparation for good citizenship in the larger world of alumnae days is the ideal that shall guide our chapter activitiies.

We, the Fraternity Officers, stand for loyal and earnest work for the realization of these fraternity standards. Co-operation for maintenance of fraternity life in harmony with its best possibilities is the ideal that shall guide our fraternity activities.

We, the Fraternity Women of America, stand for preparation for service through the character building inspired in the close contact and deep friendship of fraternity life. To us, fraternity life is not the enjoyment of special privileges but an opportunity to prepare for wide and wise human service.

Excerpts from Panhellenic Creed

. . . That the primary loyalty and responsibility of a student in his relations with his institution are to the institution, and that the association of any group of students as a chapter of a fraternity involves the definite responsibility of the group for the conduct of the individual;

. . . That the fraternity should promote conduct consistent with good morals and good taste;

. . . That the fraternity should create an atmosphere which will stimulate substantial intellectual progress and superior intellectual achievement;

. . . That the objectives and activities of the fraternity should be in entire accord with the aims and purposes of the institutions at which it has chapters.

May your future be

Happy

Wealthy

and

Healthy

What a wonderful future there is waiting for you,
What a wonderful future, and to make it come true —
"Tuum est" is the phrase, the phrase you must know,
For without this small phrase, it just can't be so.

"Tuum est," it is simple, to speak or to write,
But those two small words can kindle a light —
A light in the mind — of what one can do,
"Tuum est" is the phrase, "It's up to you."

No matter the task, or how rough the road,
These two little words will e'er ease the load;
Repeat them, believe them, for they do not lie —
Two wonderful words, for all who will try.

What'er you might do, or wherever you are,
Forget these two words and you'll not go far,
Your path will be thorny, you'll not do your best,
So just never forget — that 'tis always "Tuum est!"

These words will apply, throughout every day,
At work, in your home, and even in play!
They are truly important and right down to earth.
And the depth of their learning will measure your worth!

B.C. ELECTRIC EXPANDS SERVICES MORE IN 12 POST-WAR YEARS THAN IN PREVIOUS 50 YEARS!

OVER 40 MILLION MANHOURS OF CONSTRUCTION WORK, PLUS $300 MILLION IN MATERIALS, have already gone into facilities to provide better utility service for more homes and industries in B.C.'s fast-growing lower mainland area. And in 1958 alone, additional B.C. Electric projects amounting to $98,600,000 will bring the total for expansion and improvements from 1946 through 1958 to over $575 million.

AN IMPORTANT CONTRIBUTION TO B.C.'S ECONOMY, this vast, continuing program has provided local employment in a variety of trades, as well as creating work for thousands of other people in factories across Canada. Service improvements and additions have included introduction of natural gas bringing its benefits of better living, and an increase in electric power generating capacity to over three times what it was in 1947.

800 LOCUST STREET

KANSAS CITY 6, MISSOURI

in conclusion . . . . .

We have won. Totem 1958 is a reality, and we are proud. And now with production schedules, photo assignments, advertising contracts, and stubborn typewriters behind us, I would like to pause, slap a few backs, and kick a few shins.

Our dynamic Associate Editor Barb Scott added many a jolt to prod the staff on. Arranging the layouts for the advertising section, she screamed for ads, and got them, thanks to Dave Stowe and his keen ads men Ross, Dave, and Bruce.

Barb Hay, chief cake cooker and copy grinder re-hashed the worst literary efforts into comprehensible verbiage. Nancy Paul and her rewrite staff of Margaret, Sandra, and Ray reconstructed broken phrases and helped Barb polish the smoother work.

Loraine Rook, pen and brush in hand, added lines and tones to give the most beautiful cover, introduction pages, and dividers Totem has ever seen.

Barrie Coles and Marj Sands, poised with clutched erasers, checked and revised layouts, measured pictures, wore out enlargement-reduction wheels, and finally approved every page.

Mike Sone, Photo Editor, kept the darkroom safelights burning around the clock with occasional pauses for food and classes. Darkroom Manager Fred Schrack did his best to keep obsolete equipment working and the ever-short supplies available. An artistic touch and undying interest was added to the Photog Staff and to the book by Stan (thank you Mrs. Triggs). Also devoting much of their photo ability were Dave and Dave, Mark, Pete, Jim, Asger, Tenny, and Al. Anne Riemer, adding a feminine touch to the photo section, assigned oodles of pictures for each photog to snap.

Our Public Relations Officer and Exchange Editor, Flora MacLeod, typed, signed, opened, reviewed, and censored letters to and from over 200 colleges. Tabulating information from survey forms and drawing conclusions from results, Flora provided an accurate comparative listing for future reference.

Diane Watson, Administration Editor, chased after copy and pictures, added a little coffee, and produced a near perfect section.

Sorting dozens and dozens of graduate pictures, other pictures, and more pictures ad infinitum provided Christmas enjoyment for Pat Overhill and Lorraine Rossiter. Helping to decode lousy writing were Rita, Rosemary, Marie, Zulette, Shirley, Jennifer, Janet, Sheila, and practically everyone else on the staff who had any time to spare.

Sherrill MacDonald, assisted now and then by Jane, Ray, Al, and Sharon, grabbed everyone's pictures, dragged her brother out to help, and added a new touch to the Campus Life Section.

Men's Sports. What a headache! Jean Fletcher volunteered. Ads in the paper brought no help. Appeals to Big Block and MAA—they could complain, but couldn't possibly help! Single handed, Jean worked away, and finally, in January, found two willing friends and made them her staff. Thus, for the rest of the term, Jean, Lorna, and Carole pestered not so co-coperative team managers and wrapped up the Men's Sports.

Sydney Shakespeare, handling her staff like a grasshockey stick, put Women's Sports solidly on the map. Assisting her at various odd hours were Ann, Jeannie, and Margot.

Debbie Brown, slicing her way through several scores of clubs, residences and services put clubs in their place, demanded information and finished her section on schedule. Irene, Bill and Judy provided inspirational assistance.

Ann Blayney, Fine Arts and Publications Editor, attained a fresh, free, and non-conforming layout style. With Gleyns and Dorothy, she has provided a definite and encouraging pattern.

Wendy Bain and Joan Fitzpatrick, making the best of what they had, found the Greek section a vast obstacle—especially with only two days of pure hell in which to complete the job. Diane, Evelyn, Denise, and Pat sprinted after elusive Greeks, censored pictures, and finished the section in an impossibly short time.

Thank you, my staff! Thank you for the birthday party. And thank you for being the most dependable and hard-working group I have ever worked with. Thank you Stan for your mandolin chords, and for your 5 a.m. darkroom blues duets with Mike. Thank you photogs all, for damn good pictures. Thank you, Barb, for a ride to the Conference and things special. Thank you Loraine, for rain, buildings, studying, people, and all. Thank you Nancy, Zulette, Jennifer, and others, for coffee, tea, and milk. Thank you, janitors all, for putting up with us, late at night and late in the morning. Thank you all for the extra you have done.

And thanks to the AMS; to RE and his damned forms; to Ben and Randy with union troubles; to George in money matters; to others in their way.

Thanks to the undergrad societies, clubs, and other groups and individuals. Thanks to the Rowing Crew, for their consideration for our photog.

Thank you Dan and Earl, at Yearbook House, for revolutionary organization and a wonderful trip for myself. Thank you Charlie Phillips for your understanding. Thank you, you know who, and may you ever be green.

Thank you, Rita, for faith and inspiration, for opening doors and closing others.

Thank you Mr. Elliot, for guts and grace.

Thank you, subscribers and advertisers.

Thank you, "Grey Fella", for getting us home at night, even though you blew tires, burned oil, and gurgled gas.

Thank you all, birds of a feather.

Norm.
